#### **ARPEA Spring Drive-In Conference -- April 9**

A conference update was provided by President Connie Wilson and additional information about the topics and speakers by Kimberly Flowers. Arrival and setup were also discussed. The deadline for headcount will be Friday, March 15. Information will be sent concerning parking.

### **Program Redesign**

A group discussion included the following:

--to address ADE with any consideration for switching from TESS to Marzano's work now that ADE is supporting a book study with *High Reliability Schools* with AR district leaders.

--to express the need of the Executive Committee to partner with ADE and inform their work by voicing our opinions and questions concerning the program redesigns and proposals.

--to clarify the new ADE requirements for the cooperating administrator/supervisor being LEADS trained for the field experiences and how to meet this with out-of-state candidates.

--to discuss if National Board Credits has been accepted for graduate credit.
